AURIC ROAD

PETITE RESORTS

We believe there are places on earth meant to draw you out and sweep you off your feet. Auric road is collection of petite resorts in these magical places.

We acquire historic properties and reimagine them with culturally relevant design, locally-sourced food made in-house by our chefs, thoughtful amenities, and adventure that is always included.

We redefine authentic hospitality by providing a personalized experience for you—not just a room. Our Mission is to put the adventure back into your journey and the soul back into your stay.

HOTEL JOAQUIN

laguna beach

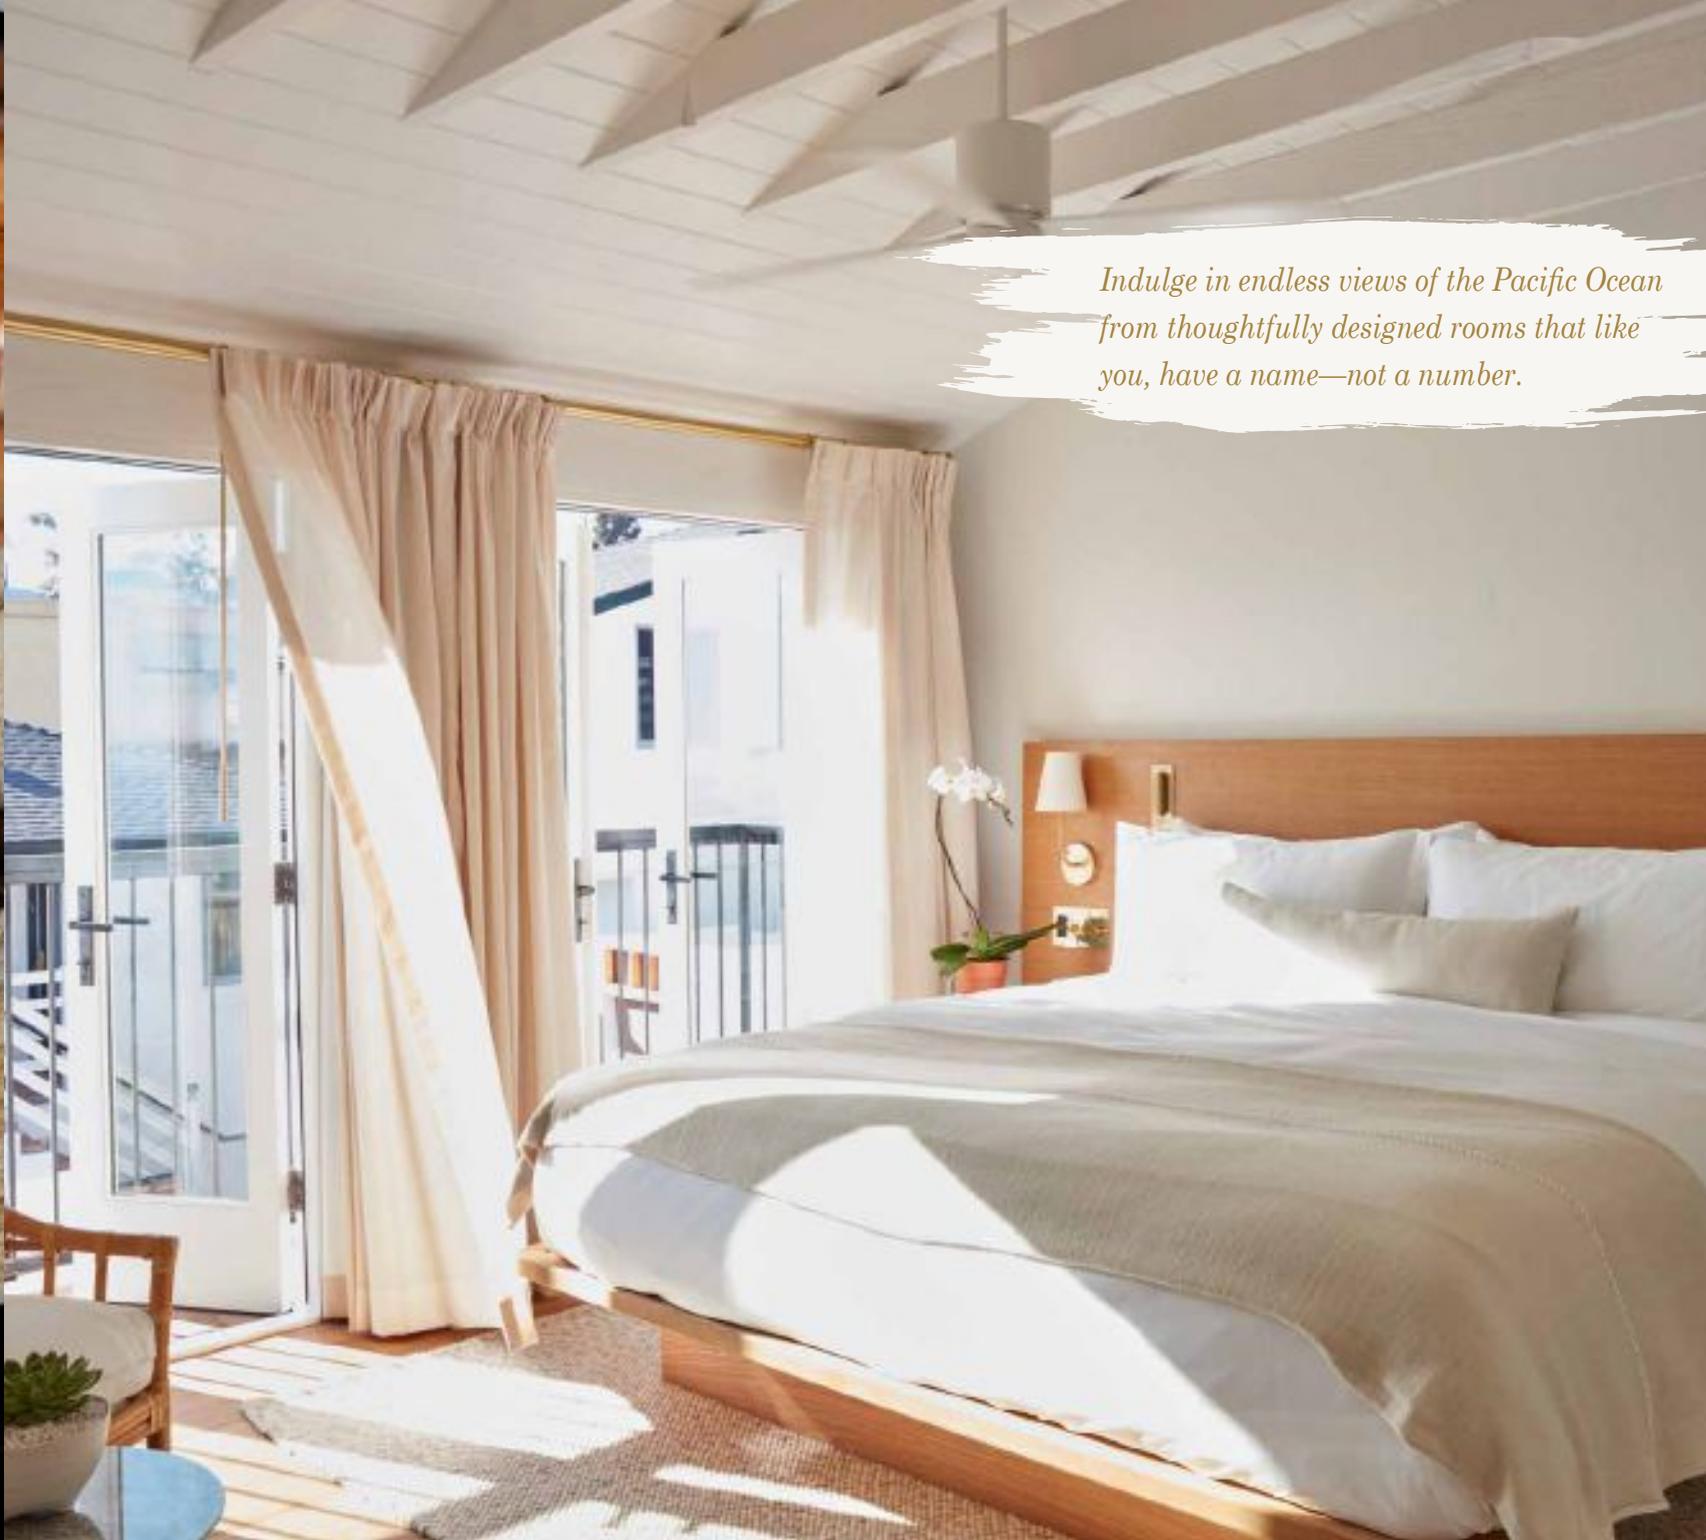

With décor inspired by 1950s-era Southern California beach culture and the timeless aesthetic of the Mediterranean coast, Hotel Joaquin is secluded from Laguna's mega beach resorts and steps away from the residential beach of Shaw's Cove.

Start your day with a nourishing breakfast at Saline and yoga overlooking our pool. We'll take you biking or hiking in the hills, paddle boarding or surfing, or on a nature tour of Laguna's tide pools.

A BEACH ESCAPE in the heyday of the 1950s-era California Riviera, we reimagined a motor inn's glory days as an exclusive petite resort.

Indulge in endless views of the Pacific Ocean from thoughtfully designed rooms that like you, have a name—not a number.

P E N S I O N E

Begin your day with breakfast in our Moroccan courtyard, take traditional mint tea near our fire pits or in the library, and greet a vast cloudless desert sky with morning yoga. We'll guide you through sacred grounds in Taquitz Canyon and ease your muscles with a massage when you return. Stroll around the villas in the evening after the ritual lighting of our Moroccan lanterns and you may wonder just where you are.

A HIDDEN OASIS of secret gardens, pools, lounges and fountains among Mediterranean and Moroccan villas.

LONE MOUNTAIN RANCH

BIG SKY, MONTANA

Our working luxury horse ranch in Big Sky Country has been a symbol of the American West for over a century, since the early days of Yellowstone National Park. Private log cabins with all the elevated comforts of home dot nearly 150 acres of untainted wilderness, but you won't be alone. Our ranch hands, expert guides and chefs curate the best of what Montana has to offer.

*Few things are as awe-inspiring as the
lifting mist at sunrise on the ranch.
Take it in alone or share it with a moose
or deer as it ambles through.*

REX RANCH

OPENING IN 2022

Historic, 19th century Rex Ranch, just south of Tucson, Ariz., was built in the style unique to this area, and some of its thick, natural adobe walls are over 170 years old. In the early 20th century, the 50-acre ranch was developed into a gracious, hacienda-style compound with courtyards and fountains. Sitting at the edge of the Coronado National Forest in the foothills of the Santa Rita Mountains, this ranch has a deeply spiritual energy. We acquired it in 2017 to reimagine it as a wellness-focused petite resort and look forward to welcoming you when it opens in 2022.

SONOMA COAST VILLA RESORT & SPA

We look forward to a 2022 opening

Situated between the misty coastline of Bodega Bay and the rich wine country of Sebastopol, Sonoma Coast Villa & Spa will offer guests an immersive luxury farming experience including activities such as beekeeping in our apiaries and trips to the coast for crabbing and oystering. Originally opened as a vacation retreat in 1982, the revived, 30-key Sonoma Coast Villa & Spa will invite guests to experience cuisine made from ingredients harvested from the 60 acres of rolling hills it calls home in the Russian River Valley. The property will also offer curated coastal adventures, and luxury wine tours to over 100 wineries and 50 tasting rooms within a 30-minute drive.

EXPERIENCES

AURIC ROAD

Our petite resorts each have their own personalities, but there are a few things you can always expect of Auric Road. Our local staff and experts connect with you, personally, to talk about how we can make your experience just what you want. Once you arrive, you'll find a welcome drink in a comfortable, authentically designed living room, not a lobby. Adventures—all included—are led by our experts, so you can make the most of the naturally dramatic, historically significant places we call home. From our intimate Palm Springs desert riad, Korakia Pensione, to our Laguna Beach seaside resort, Hotel Joaquin, to the rustic romance of our sweeping Montana property, Lone Mountain Ranch, we're certain we can create the ideal getaway that you will remember for a lifetime.

We look forward to welcoming you.
